Outreach Principles in Five

1

INTRODUCTIONS NOT INDUCTIONS

INCREASING THE KINGDOM NOT THE MEMBERSHIP ROLL

The goal is to introduce people to Jesus and let Him do the convicting and redeeming. Outreach is not about church membership. Would you still desire to reach them even if you knew your church assembly must fold?

2

GO

IT ISN'T OUTREACH IF IT IS DONE IN-HOUSE

Go where the lost are. Get out of your sanctuary. Go to their turf and love them whole-heartedly. Don't expect them to come to your intimidating fortress.

3

BE MISSIONS-MINDED

CULTURES CLASH

Speak the Lingo of the cultures keeping christian terms clean from culture's changes. Know the customs and do not be afraid to enter into their culture because you know that God is still redeeming yours. Post-modern lingo is visual and often, digital.

4

WHAT GOD HAS MADE CLEAN

ALL CHRISTIAN ART IS USEFUL

Each christian is uniquely gifted to reach someone. God chooses and anoints some that we would ignore. Post-modern culture demands integrity & courage from God's reachers. We do not want to leave anyone behind.

5

KNOW JESUS TO SHOW JESUS

SPEND TIME WITH THE PRIME ARTIST AND REACHER!

Read your Scripture to see the means Jesus and Paul employed, what they did, and how they did it. Know Him, and His diverse creation, to make Him known. You have no power outside of Him to change anyone. He will always remain the reason for your work and the One who commissions you. The Father, Son, and Holy Spirit desire that the world be reached. He, first, must reach you.
