Drawing back the veil to great outreach

KDB BELIEFS

Jesus, second person of the Trinity, meets every need and desires an intimate relationship with all people. *2Peter 3:9-ff*

God's Holy Word is inspired by the Holy Spirit, and illuminated for understanding all things necessary for salvation & an intimate relationship with God. *2Peter 1:20-21*

Every Christian is gifted by God's Sovereign design. Since it is the role of every Christian to share the Good News of Jesus, then it is important to use both the natural and spiritual gifts with Scripture for effective outreach. *1Peter 4:10-11*

KDB ART

Materials are Scriptural & meaningful to a post-modern culture. They are inexpensive, often free, for practical use by groups of all sizes/talents.

Consider your next outreach project. Learn to use the internet to effectively welcome your local community. Do you enjoy making easy crafts, blogging, photography, drawing, sculpture, banners, dramatic pieces, silly skits, or music? **Let us show you how to use these gifts to speak to those who have yet to accept Jesus' sacrifice and encourage the weary.**

WHY ART?

Our post-modern world has specific needs, but a world-view which is difficult to address because of the way in which God & His church are generally seen. The Christian World-view answers these needs with power and grace found in an intimate, salvation-relationship with Jesus.

The most effective way to speak to the greater community [a post-modern, cultural-driven society] involves relating God's Holy word in a relevant way: through art.

HISTORY

Since early 1998 the *KDB web site* has offered **free materials** using & teaching the principles of artistic outreach. **Scripts & artwork** are used by outreach ministries worldwide, plus Youth Leaders find skilled information for use in missions, Bible studies, and worship services. Originally designed to offer information about **His Sound**, an artistic outreach team, the site's potential to affect the world with the Gospel was tailored to bring material to outreach ministries and youth ministries, and, it has been free from charge from its founding.

The **Artistic Outreach Weekend Workshop** makes effective outreach principles accessible for all Christians regardless of the kind of art, level of ability, or financial resources. The **multimedia presentation** with **workbook** seeks answers from Scripture: "is art even Biblical; how do we reach others successfully; what is God's Master Plan for outreach?" The **Practical Project** is fun, inviting, used in future outreach projects & is cost effective.

Sherry speaks to junior high through college-career youth at camps and events about God's Love, Sacrifice and Promises using imagery throughout God's Holy Word. She serves as the lay-minister and webservant for Peace Presbyterian Church in Elk Grove, California.

I combine all art with Scripture in a way that speaks to the lost. My Youth Ministry experience and training have shown that every Christian reaches a specific audience with the Good News of Jesus, Yeshua, using their favourite arts.
